Carnatic Music Audio Archive

Motivation and Purpose

This web page is dedicated to all the great composers of carnatic music, inspired practioners, my wonderful gurus ... who have made this work possible. I hope that this work will motivate more knowledgeable practioners and rasikas to share their knowledge on the web. A lot more needs to be done! This archive has a mere 200+ songs, whereas there are at least 2000-5000 songs "well-known" and over 30-40,000 songs lesser known! Only then we will have a true archive.
